A CALL TO REPENTANCE AND PRAYERS FOR PEACE

These past days have been hard days. Our prayers for peaceful resolution of the Gulf Crisis have gone unanswered. We are at war! All the answers to "why" seem to fall short as the cost in the destruction of human life grows higher and higher. A half billion dollars a day is difficult to imagine when contrasted to the social and health needs in the world. There is a sense of helplessness with things out of control.

As I was pondering my message to you, there arrived over the wire a communication from the Lutheran World Federation, calling for repentance and prayers for peace. What could be more in keeping with the theme for the coming Lenten season. Following is the letter from the leadership of the LWF, Gottfried Brakemeier, President, and Gunnar Staalsett, General Secretary. I encourage you to do all you can to encourage your congregation to join with 60 million others in the Lutheran family throughout the world in this effort. I know time is short, but I believe there are many who are seeking some opportunity to participate.

Geneva, 24 January 1991

Dear Friends,

During these days of so much suffering, death and alienation in our world, it is difficult to find adequate words to convey the sense of sorrow and helplessness which we all feel in our hearts. Perhaps the only words are those of the Psalmist, "Out of the depths I cry to thee, O Lord!"

At the beginning of the Lenten season, as we witness the great destruction and hostility among people--whether in the Persian Gulf or the Baltic countries, El Salvador or South Africa, Liberia or Ethiopia, or in Jerusalem itself--we will once again be drawn into the deeper meaning of the death on the cross of God's only begotten Son. We will also discover something about ourselves, our involvement in the structures and mentality of evil, and our own need to be cleansed and renewed.

With the need for our renewal through God's grace in mind,

We call upon all of our member churches to set aside
February 17, 1991, (or another Sunday in Lent) as a
Day of Repentance and Prayers for Peace.

This can be an occasion for studying the issues and sharing views. But let it first be a time of prayer at the center of worship, a time for listening to God's Word, a time of silence and a time for beseeching God to do what once again is so obviously impossible for us. As we once again follow Jesus down the Via Dolorosa, the Way of Sorrows, to the cross, may we discover anew--through repentance and prayers for peace--that strange power of grace which is able to renew our life and the life of the world.

ANNOUNCEMENTS

BISHOP NOMINATION PERIOD CONTINUES

The time period for nomination of persons for the office of Bishop of the Northwest Washington Synod continues through March 7, 1991. Nominations may be made by any person within the Northwest Washington Synod by submitting the name of the nominee to Synod Vice President David D. Swartling, Suite 2900, 1201 Third Avenue, Seattle, WA 98101-3028. Nomination letters must certify that a nominee is a rostered clergy person in the ELCA.

Persons nominated for Bishop are provided a Nominee Response Form which requests biographical information and asks several questions requiring narrative answers regarding the ministry of the Northwest Washington Synod and the challenges for the future. Information provided on the Nominee Response Forms from nominees who agree to run for the office of Bishop will be disseminated to members of the Synod Assembly in their Pre-Assembly Packets.

Campaigning for the office of Bishop through procedures such as advertising, telephone solicitation, and mailings is discouraged. Pre-assembly forums, by specific action of the Synod Council, will not be permitted. However, when the number of nominees has been reduced to four or less, the remaining nominees will address the Synod Assembly.
